Swami Vivekanand College of Engineering, Indore Event Report

Date: 06-10-2022 to 20-10-2022

Activity: Aptitude & Reasoning activity under Competitive examination program for B.Tech VII SEM students of all branches.

Time: 10:00 AM to 11:00 AM

Organized by: Basic Science Department

Attended By: B.Tech seventh semester students of all branches.

Faculty Incharge: Dr. Navin Verma

Objectives: The objective of an aptitude and reasoning program is to develop and enhance cognitive abilities, problem-solving skills, and logical thinking capabilities in individuals.

Impact: the impact of aptitude and reasoning programs extends beyond individual development to positively influence educational institutions, employers, and society as a whole, contributing to overall progress and advancement.

Conclusion: aptitude and reasoning programs are instrumental in equipping individuals with the essential skills needed to navigate the complexities of academic, professional, and personal challenges. These programs offer a structured approach to enhancing cognitive abilities, logical reasoning, and problem-solving skills.

Swami Vivekanand College of Engineering, Indore Event Report

Date: 01-09-2022 to 15-09-2022

Activity: Soft skills & GDPI activity under Career guidance program for B.Tech VII SEM students of all branches.

Time: 10:00 AM to 11:00 AM

Organized by: Communication Skills Department

Attended By: Seventh semester students of all branches.

Faculty Incharge: Ms. Anjali Bhatia

Objectives:

The objectives of soft skills development encompass a broad range of competencies aimed at improving communication, relationships, collaboration, emotional intelligence, problem-solving, career advancement, personal growth, customer service, and cultural competence. By investing in soft skills development, individuals and organizations can achieve greater success and well-being in both professional and personal spheres.

Impact:

The impact of soft skills is profound and far-reaching, influencing success in the workplace, career advancement, personal relationships, academic achievement, and overall well-being. Investing in the development of soft skills is essential for individuals and organizations seeking to thrive in today's dynamic and interconnected world.

Conclusion:

In conclusion, soft skills are indispensable for success in today's workplace. Employers and individuals alike must recognize the importance of cultivating and enhancing these skills to thrive in an increasingly competitive and dynamic environment. By investing in soft skills development, organizations can build more cohesive teams, improve employee satisfaction and retention, and ultimately achieve greater business success.
