Policy of Beyond the Campus Environmental Promotion Activities

This policy aims to outline the initiatives and actions taken by Swami Vivekanand College of Engineering (SVCE) to promote environmental awareness and sustainability beyond its campus boundaries. The college is committed to contributing to the broader community's environmental health and sustainability through various outreach programs and activities.

Objectives:

To Enhance Community Awareness: Increase awareness about environmental issues and sustainable practices in the local community.

To Promote Sustainable Practices: Encourage the adoption of sustainable practices in the community.

To Foster Collaboration: Work in partnership with local organizations, government bodies, and other educational institutions to promote environmental sustainability.

Initiatives and Activities:

Water Harvesting Campaign:

- Organize workshops and seminars on rainwater harvesting.
- Demonstrate rainwater harvesting techniques through field visits.
- Distribute informational materials on the benefits and methods of water harvesting.

Water-Borne Diseases Awareness:

- Conduct awareness campaigns on water-borne diseases in collaboration with local authorities.

Cleanliness Drive and Awareness Campaign:

- Organize regular cleanliness drives in public areas such as parks, markets, and streets.
- Collaborate with local bodies to support and enhance public cleanliness efforts.

Environmental Education Programs:

- Organize interactive sessions and activities such as eco-clubs, nature walks, and tree plantation drives.

Collaboration with Local Organizations:

- Partner with NGOs, environmental groups, and local government bodies to coordinate activities.
- Participate in joint initiatives and events to broaden the reach and impact of environmental programs.
