Policy of Clean and Green Campus Initiatives

Introduction

Swami Vivekanand College of Engineering (SVCE), Indore, is committed to promoting a clean, green, and sustainable campus. This policy outlines various initiatives and practices aimed at fostering environmental stewardship, raising awareness, and enhancing sustainability within the campus community. Additionally, it proposes the formation of a Green Audit Committee to collaborate with an external agency for comprehensive environmental audits.

Objectives

The primary objectives of this policy are:

- To foster a culture of cleanliness and environmental responsibility.
- To promote sustainable waste management practices.
- To enhance campus greenery and biodiversity.
- To raise awareness about environmental conservation.

Clean Campus Initiatives

Clean Campus Drive

Under the Clean Campus Drive (Cleanliness Drive) as part of the Swachh Bharat Abhiyan initiative, SVCE is dedicated to fostering a culture of cleanliness and environmental stewardship within its campus community. This drive includes various activities aimed at promoting cleanliness, raising awareness, and instilling a sense of responsibility among students, faculty, and staff towards maintaining a pristine campus environment.

Waste Management Practices

SVCE adopts the following waste management practices:

- **Segregation:** The college has placed five color-coded dustbins strategically across the campus for waste segregation. The green dustbin is for paper waste, the blue dustbin is

for glass waste, the yellow dustbin is for plastic waste, the red dustbin is for metal waste, and the black dustbin is for organic waste.

- **Dry and Wet Waste:** Additionally, there are two dustbins specifically for dry and wet waste segregation, usually blue or green in color.

Processing of Kitchen Waste

SVCE will implement a kitchen waste processing system to convert kitchen waste into compost. This initiative aims to minimize organic waste sent to landfills, reduce greenhouse gas emissions, and promote sustainable waste management practices.

Green Campus Initiatives

SVCE is actively engaged in green campus initiatives aimed at promoting sustainability and environmental awareness. These initiatives include:

- **Green Audits:** Conducting regular audits to assess practices and identify areas for improvement.
- **Plantation Drives:** Organizing annual plantation drives to increase greenery and biodiversity on campus.
- **QR Scan Codes for Plants and Trees:** Introducing QR scan codes for plants and trees to provide information about their species, enhancing awareness about biodiversity.
- **Clean and Green SVCE Posters:** Implementing the "Clean and Green SVCE" slogan on walls to visually reinforce the message of sustainability and environmental stewardship.
