Policy of Green Campus Initiatives

Introduction

Swami Vivekanand College of Engineering (SVCE) is actively engaged in green campus initiatives aimed at promoting sustainability and environmental awareness. This policy document outlines the various initiatives and practices adopted by SVCE to create a sustainable and eco-friendly campus environment.

Objectives

- To promote sustainability and environmental awareness among the college community.
- To enhance greenery and biodiversity on campus.
- To integrate innovative technologies for better environmental management and awareness.
- To foster a sense of responsibility and ownership towards the environment among students, faculty, and staff.

Green Campus Initiatives

Green and Environment Audits

SVCE conducts regular green and environment audits to assess current practices and identify areas for improvement. These audits help the college to:

- Monitor and evaluate the effectiveness of existing green initiatives.
- Identify opportunities for further enhancing sustainability practices.
- Ensure compliance with environmental regulations and standards.

Plantation Drive

SVCE organizes an annual plantation drive to increase greenery on campus. This initiative:

- Enhances the aesthetic appeal of the campus.
- Contributes to the overall environmental health by increasing green cover.

QR Scan Codes for Plants and Trees

SVCE introduces QR scan codes for plants and trees on campus to provide accessible information about their species. This initiative:

- Enhances awareness about the diverse range of trees and plants on campus.
- Encourages active engagement in conservation efforts.
- Fosters greater appreciation for the natural environment.

Clean and Green SVCE Posters

SVCE implements the "Clean and Green SVCE" slogan on the walls throughout the campus. This initiative:

- Promotes the clean and green campus initiative.
- Significantly impacts the mindset of both students and faculty by visually reinforcing the message of sustainability.
- Creates a constant reminder of the importance of environmental stewardship.
- Fosters a sense of responsibility and ownership towards maintaining a clean and green environment.
