## Outcomes of outreach activity

### “ Nukkad Natak on Dowry System ”

Nukkad Natak organized by Swami Vivekanand College of Engineering emerged as a powerful medium for social change, effectively raising awareness about the detrimental effects of the dowry system and inspiring collective action towards its eradication. By leveraging the transformative potential of street theatre and community engagement, the event exemplified the college's commitment to fostering a more equitable and just society.

- The outreach activity had a significant impact on the audience, sparking conversations and introspection within the community.
- By witnessing the real-life scenarios depicted in the Nukkad Natak, individuals were prompted to reevaluate their attitudes towards dowry and consider its implications on gender equality and social justice.

## **Report on Outreach Activity - Nukkad Natak on Dowry System**

### **Introduction:**

Swami Vivekanand College of Engineering, committed to social responsibility, organized an outreach activity in the form of a Nukkad Natak to raise awareness about the detrimental effects of the dowry system. The event took place on January 10<sup>th</sup>, 2023, in the village of Datoda.

### **Event Details:**

Date: January 10<sup>th</sup>, 2023

Venue: Village Datoda

Activity: Nukkad Natak on Dowry System

### **Objective:**

To educate and sensitize the community about the adverse consequences of the dowry system. By using the medium of street theatre, the aim was to engage the audience emotionally and intellectually, fostering a deeper understanding of the issue and promoting societal change.

### **Activities:**

On the day of the event, the Nukkad Natak was staged at multiple locations across the village, drawing in a diverse audience. The performances were accompanied by interactive sessions, allowing spectators to share their thoughts and experiences related to the dowry system.

# Vandevi Social Welfare Society

Reg. No. 03/27/01/20347/18

To,

The Principal,  
Swami Vivekanand College of Engineering,  
Indore (M.P.)

Greetings!

Nukkad Natak," or street play, on the dowry system is a powerful way to raise awareness and spark conversations about this deeply entrenched social issue. By engaging directly with audiences, Nukkad Natak on the dowry system encourages reflection, empathy, and collective action towards ending this harmful practice and promoting gender equality. We show the gratitude and appreciate to the team of Swami Vivekananda college of Engineering to successfully conducted a social event "Nukkad Natak on Dowry System" on 10/01/2023 at Village Datoda, Dist. Indore

Further we would like to appreciate all the students of Mechanical Engineering Department of Swami Vivekanand College of engineering, Indore for their contribution in this social event. With all their enthusiasm and making this event more delightful.

Regards

Ashish Pathak

Vice President

## Outcomes Of Outreach Activity

### “Outreach Activity On Education System ”

The outreach activity held on 07/06/2023 at Village Tillor successfully enhanced the engagement between Swami Vivekanand College of Engineering and the local community, raised awareness about educational challenges, and highlighted the importance of education for personal and community growth. Students developed essential skills such as communication and teamwork while identifying potential areas for future collaboration with the village.

The outcomes of the activities are as follows:-

- Strengthened community relations through mutual engagement and discussions.
- Increased awareness of educational challenges in rural areas among students.
- Promoted the significance of education, encouraging community support for children's education.
- Developed students' communication, teamwork, and leadership skills, preparing them for future community service initiatives.

## **Report on Outreach Awareness Activity on Education System**

### **Introduction:**

Swami Vivekanand College of Engineering organized an Outreach Awareness Activity on the Education System at Village Tillor on 07/06/2023. This initiative aimed to create awareness about the importance of education and discuss various aspects of the education system with the community.

### **Event Details:**

Date: 07/06/2023

Location: Village Tillor

Participants: Approximately 20 students from the B.Tech program

Organizer: Swami Vivekanand College of Engineering

### **Objective:**

To engage with the community of Village Tillor and discuss the significance of education in personal and societal development.

### **Activities:**

Information Sessions: Information sessions were conducted to educate participants about various educational programs, scholarships, and government initiatives aimed at promoting education and skill development.

## Outcomes of outreach activity

### “ Awareness Activity on the Menstruation Cycle ”

The Outreach Awareness Activity on the Menstruation Cycle conducted by Swami Vivekanand College of Engineering at Village Asrawad Morod was a resounding success. By educating and empowering women in rural areas, the event played a crucial role in promoting menstrual health and hygiene, ultimately contributing to the overall well-being of the community. Such initiatives underscore the importance of education and awareness in addressing sensitive health issues and fostering positive change in society.

Following are some of the significant impacts of the outreach activity:-

- **Increased Awareness:** The event successfully increased awareness about menstrual health and hygiene practices among the participants.
- **Empowerment:** Women were empowered with knowledge and resources to manage their menstrual health confidently.
- **Breaking Taboos:** Open discussions helped break the silence and stigma surrounding menstruation, fostering a more supportive environment for women's health issues within the community.

## **Report on Outreach Awareness Activity on Menstruation Cycle**

### **Introduction:**

Swami Vivekanand College of Engineering organized an Outreach Awareness Activity on the Menstruation Cycle at Village Asrawad Morod on 13/01/2023. This initiative aimed to educate and raise awareness about menstrual health among women in rural areas.

### **Event Details:**

Date: 13/01/2023

Location: Village Asrawad Morod

Participants: Approximately 20 students from the B.Tech program

Organizer: Swami Vivekanand College of Engineering

### **Objective:**

To provide comprehensive information about menstrual hygiene, dispel myths and taboos surrounding menstruation, and empower women with the knowledge to manage their menstrual health effectively

**Activities:**

Interactive Sessions: Following the workshops, interactive sessions were held to encourage open dialogue and address any queries or concerns the participants had regarding menstruation.

Demonstrations: Practical demonstrations on the proper usage and disposal of sanitary products were conducted to ensure that the participants had a clear understanding of menstrual hygiene practices.

**Conclusion:**

The Outreach Awareness Activity on the Menstruation Cycle conducted by Swami Vivekanand College of Engineering at Village Asrawad Morod was a resounding success. By educating and empowering women in rural areas, the event played a crucial role in promoting menstrual health and hygiene, ultimately contributing to the overall well-being of the community. Such initiatives underscore the importance of education and awareness in addressing sensitive health issues and fostering positive change in society.

## Outcomes of outreach activity

### “ Awareness Activity on the Menstruation Cycle ”

The Outreach Awareness Activity on the Menstruation Cycle conducted by Swami Vivekanand College of Engineering at Village AsrawadMorod was a resounding success. By educating and empowering women in rural areas, the event played a crucial role in promoting menstrual health and hygiene, ultimately contributing to the overall well-being of the community. Such initiatives underscore the importance of education and awareness in addressing sensitive health issues and fostering positive change in society.

Some of the significant impacts of the outreach activity on the participants and the community as a whole are as follows:-

- **Increased Awareness:** The event successfully increased awareness about menstrual health and hygiene practices among the participants.
- **Empowerment:** Women were empowered with knowledge and resources to manage their menstrual health confidently.
- **Breaking Taboos:** Open discussions helped break the silence and stigma surrounding menstruation, fostering a more supportive environment for women's health issues within the community.

## Outcomes of outreach activity

### “ Social Awareness Programme on Early Marriage ”

Swami Vivekanand College of Engineering's outreach activity on "Social Awareness Programme on Early Marriage" exemplifies the institution's commitment to social responsibility and community engagement. By leveraging the talents and dedication of its students, the college successfully initiated a dialogue and raised awareness about a critical social issue. As the impact of this outreach activity continues to reverberate within Joshi Guradiya Village and beyond, it underscores the transformative power of education and collaborative efforts in fostering positive change within society

- The outreach activity left a significant impact on the community members of Joshi Guradiya Village.
- The powerful portrayal of the consequences of early marriage through the Nukkad Natak resonated deeply with the audience, prompting reflection and dialogue on entrenched social practices.
- Many individuals expressed appreciation for the initiative and acknowledged a newfound awareness of the issue. Moreover, the event served as a catalyst for community-led discussions and actions aimed at addressing the root causes of early marriage

## **Report on Outreach Activity on "Social Awareness Programme on Early Marriage."**

### **Introduction:**

Swami Vivekanand College of Engineering, Indore, extended its outreach efforts beyond the campus boundaries by conducting a "Social Awareness Programme on Early Marriage" in Joshi Guradiya Village near Indore. This initiative aimed to address the pressing issue of early marriage prevalent in many communities and spread awareness about its consequences.

### **Event Details:**

On June 05, 2023, a group of 20 students from Swami Vivekanand College of Engineering actively participated in the outreach activity conducted in Joshi Guradiya Village. The event was strategically organized to maximize engagement and impact among the local community members.

To raise awareness about the detrimental effects of early marriage on individuals and society. By utilizing the platform of a social awareness programme, the goal was to initiate meaningful conversations and encourage critical reflection on prevailing social norms related to marriage practices.

### **Activities:**

The highlight of the outreach activity was a compelling Nukkad Natak (street play) performed by the group of 20 students. Through captivating dialogues, vivid scenes, and emotive performances, the Nukkad Natak effectively conveyed the message against early marriage to the audience in Joshi Guradiya Village. Additionally, interactive sessions, discussions, and the distribution of informational materials further reinforced the awareness-raising efforts.

## **Impact:**

The outreach activity left a significant impact on the community members of Joshi Guradiya Village. The powerful portrayal of the consequences of early marriage through the Nukkad Natak resonated deeply with the audience, prompting reflection and dialogue on entrenched social practices. Many individuals expressed appreciation for the initiative and acknowledged a new found awareness of the issue. Moreover, the event served as a catalyst for community-led discussions and actions aimed at addressing the root causes of early marriage.

## **Conclusion:**

In conclusion, Swami Vivekanand College of Engineering's outreach activity on "Social Awareness Programme on Early Marriage" exemplifies the institution's commitment to social responsibility and community engagement. By leveraging the talents and dedication of its students, the college successfully initiated a dialogue and raised awareness about a critical social issue. As the impact of this outreach activity continues to reverberate within Joshi Guradiya Village and beyond, it underscores the transformative power of education and collaborative efforts in fostering positive change within society.

## Outcomes of Outreach Activity

### “ Outreach Activity on Women empowerment ”

The outreach activity organized by Swami Vivekanand College of Engineering was a resounding success in promoting awareness and fostering dialogue on women empowerment through creative mediums such as Nukkad Natak. The event effectively conveyed messages of equality, respect, and empowerment to the residents of Shiv Nagar village. Moving forward, it is imperative to continue such initiatives and collaborative efforts to create a more inclusive and equitable society for all.

The outreach activity generated a significant impact within the community of Shiv Nagar village. It sparked conversations on women empowerment and inspired individuals to reevaluate societal norms and stereotypes. Through the thought-provoking Nukkad Natak and engaging discussions, community members gained a deeper understanding of the importance of gender equality and the role they can play in promoting women's rights.

Moreover, the event fostered a sense of solidarity and empowerment among women, encouraging them to advocate for their rights and pursue opportunities for personal and professional growth. By empowering women, the outreach activity contributed to the overall development and well-being of the community.

## **Report on Outreach Activity on Women Empowerment**

### **Introduction:**

Swami Vivekanand College of Engineering, renowned for its commitment to community engagement and social responsibility, successfully conducted an outreach activity on women empowerment. This initiative aimed to address pertinent issues surrounding gender equality and empowerment, particularly in rural areas.

### **Event Details:**

Date: June 6, 2023

Time: 11:00 AM

Location: Village Shiv Nagar

### **Objective:**

To raise awareness about women empowerment and gender equality among the residents of Village Shiv Nagar. By utilizing the medium of Nukkad Natak (street play).

### **Activities:**

The outreach activity commenced with a vibrant Nukkad Natak performance, featuring talented students from Swami Vivekanand College of Engineering. The play depicted various scenarios highlighting the challenges faced by women and the importance of gender equality. It showcased empowering narratives and provided practical solutions to address prevalent issues such as domestic violence, education barriers, and economic independence.

Following the performance, interactive sessions were conducted to engage the audience in meaningful discussions. Participants were encouraged to share their perspectives, experiences, and ideas for fostering a more inclusive and equitable society. Additionally, informational pamphlets and resources on women's rights and support services were distributed among the attendees.

### **Conclusion:**

In conclusion, the outreach activity organized by Swami Vivekanand College of Engineering was a resounding success in promoting awareness and fostering dialogue on women empowerment. Through creative mediums such as Nukkad Natak, the event effectively conveyed messages of equality, respect, and empowerment to the residents of Village Shiv Nagar. Moving forward, it is imperative to continue such initiatives and collaborative efforts to create a more inclusive and equitable society for all.

## Outcomes Of Outreach Activity

### “ Cleanliness Drive And Awareness Campaign ”

The cleanliness drive and awareness campaign organized by Swami Vivekanand College of Engineering in collaboration with the 1 M.P. Girls Battalion NCC at Tejaji Nagar, Indore, exemplified the power of collective action in addressing community issues. Through concerted efforts and effective coordination, the initiative succeeded in not only cleaning the locality but also in fostering a sense of ownership and responsibility among the participants. Such collaborative endeavors serve as a testament to the transformative impact that can be achieved when institutions and communities come together for a common cause.

The cleanliness drive and awareness campaign yielded following significant positive outcomes:

- Increased awareness among residents about the importance of cleanliness and hygiene.
- Improved cleanliness and sanitation levels in Tejaji Nagar, enhancing the overall quality of life for its inhabitants.
- Strengthened community engagement and collaboration between the college, NCC battalion, and local authorities.
- Empowered youth volunteers with a sense of responsibility towards their surroundings and the environment.
- Inspired residents to adopt sustainable waste management practices, leading to a cleaner and healthier neighborhood.

## **Report on Cleanliness Drive and Awareness Campaign Collaboration with 1 M.P. Girls Battalion NCC**

### **Introduction:**

On 7th June 2022, Swami Vivekanand College of Engineering organized a cleanliness drive and awareness campaign in collaboration with the 1 M.P. Girls Battalion NCC at Tejaji Nagar, Indore. The initiative aimed to foster community engagement, raise awareness about cleanliness, and instill a sense of responsibility towards environmental conservation among the residents of Tejaji Nagar.

### **Event Details:**

Date: 7<sup>th</sup> June 2022

Venue: Tejaji Nagar, Indore

Organized by: Swami Vivekanand College of Engineering (SVCE) NCC Students

Type of Program: Cleanliness Drive

### **Objective:**

To promote cleanliness and hygiene practices within the community and create awareness about the importance of maintaining a clean and healthy environment.

### **Activities:**

**Cleanliness Drive:** Volunteers from NCC actively participated in cleaning streets at Tejaji Nagar. They swept roads and disposed of waste responsibly. The emphasis was on not only cleaning the surroundings but also educating residents about proper waste management practices.

**Awareness Campaign:** Concurrently, volunteers conducted an awareness campaign focusing on the significance of cleanliness and its impact on public health and the environment

**Collaborative Efforts:** The collaboration between Swami Vivekanand College of Engineering and the 1 M.P. Girls Battalion NCC facilitated effective coordination and maximized the reach and impact of the initiative. Together, they worked tirelessly to achieve the common goal of promoting cleanliness and instilling a sense of civic duty among the residents of Tejaji Nagar.

**Conclusion:**

The cleanliness drive and awareness campaign organized by Swami Vivekanand College of Engineering in collaboration with the 1 M.P. Girls Battalion NCC at Tejaji Nagar, Indore, exemplified the power of collective action in addressing community issues. Through concerted efforts and effective coordination, the initiative succeeded in not only cleaning the locality but also in fostering a sense of ownership and responsibility among the participants. Such collaborative endeavors serve as a testament to the transformative impact that can be achieved when institutions and communities come together for a common cause.

## Outcomes Of Outreach Activity

### “ Blood Donation Camp ”

The Blood Donation Camp scheduled for 28th July 2022 on our college campus aims to achieve several significant outcomes. Firstly, by encouraging students and faculty members to participate, we aim to bolster the local blood supply, thereby potentially saving numerous lives. Secondly, this event serves as an educational platform, raising awareness about the critical need for blood donations and the process involved.

The donation activity has following outcomes:-

- **Increased Blood Supply:** The primary goal of a blood donation camp is to collect blood donations, which helps in maintaining an adequate supply of blood for medical emergencies and treatments.
- **Saving Lives:** Each unit of blood collected can potentially save up to three lives, as it can be separated into its components (red cells, plasma, platelets) and used for different medical conditions.
- **Community Engagement:** Blood donation camps foster community spirit and engagement, bringing together students, faculty, and sometimes members of the local community for a common humanitarian cause.
- **Health Benefits for Donors:** Donating blood can have health benefits for donors, such as reducing the risk of heart disease and certain cancers through regular donation.
- **Educational Opportunity:** Blood donation camps provide an opportunity to educate participants about the importance of blood donation, its process, and the impact it can have on recipients' lives.

### Report on

### “Blood Donation Camp”

**Organize by:** Swami Vivekanand College of Engineering, Indore

**Date:** 28th July 2022

**Participants:** Students and faculty members of the college

**Introduction:** This report outlines the organization and outcomes of the Blood Donation Camp held at our college campus on 28th July 2022. The event was aimed at promoting voluntary blood donation among students and faculty members, emphasizing the importance of contributing to the community's health and well-being.

**Objectives:**

- To encourage voluntary blood donation among students and faculty.
- To raise awareness about the significance of regular blood donation.

**Speaker:** The event was inaugurated by Mr. Tarandeep Arora, who highlighted the critical need for blood donations in saving lives and encouraged everyone present to participate actively in the camp.

**Activity Description:** The Blood Donation Camp commenced at 9:00 AM in the college auditorium, where participants were briefed on the donation process and its impact. Medical professionals from the local hospital supervised the camp to ensure safety and hygiene standards were maintained. Donors underwent medical screening before proceeding with the donation process.

**Participation and Engagement:** The response to the camp was overwhelming, with a total of 112 participants registered for blood donation. Among them, 80 successfully donated blood, exceeding our initial target. The active involvement of students and faculty members demonstrated their commitment to the cause of saving lives through blood donation.

**Conclusion:** In conclusion, the Blood Donation Camp held on 28th July 2022 at our college campus was a resounding success. It not only exceeded our expectations in terms of participation but also reinforced the spirit of community service among the college fraternity.

## Outcomes of Outreach Activity

### “ Donation of Warm cloths ”

The warm cloth donation drive on November 2, 2021, by Swami Vivekanand College of Engineering, Indore, successfully provided much-needed assistance to so many individuals, provide immediate relief by distributing blankets and warm clothing to homeless individuals, offering them a shield against the biting cold.

The donation activity has following outcomes:-

- The donation significantly improved the living conditions of the beneficiaries, offering them warmth and comfort during the cold season.
- The donations were distributed in several areas, including slum regions and homeless shelters  
Nearby swami vikanand college of engineering
- The drive helped in fostering a sense of community and support among the residents of Indore.
- Recipients reported feeling more care and support, which boosted their moral and mental well-being
- Students gain valuable experience in organizational skills, teamwork, and effective communication.

**Warm Clothes Donation Campaign**

**Organize by:** Swami Vivekanand College of Engineering

**Date:** November 20, 2021

**Participants:** Students, faculty, and staff of the college

**Introduction:** Swami Vivekanand College of Engineering organized a warm clothes donation campaign from October 21 to October 30, 2021, aimed at supporting residents of Shivnagar, Simrol, and Tillore during the winter season. The campaign encouraged donations of new or gently used winter clothing from the college community.

**Objectives:**

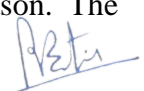

- To collect sufficient warm clothing donations for distribution to underprivileged residents.
- To contribute positively to the welfare of neighboring communities facing winter hardships.

**Activity Description:** The campaign involved placing collection boxes at strategic locations such as the Main Lobby and Student Activity Center of Swami Vivekanand College of Engineering. Donors were encouraged to deposit their contributions of new or gently used winter clothing during the specified donation period.

**Participation and Engagement:** The campaign received overwhelming support from the college community, with numerous donations pouring in throughout the donation period. Students, faculty, and staff actively participated by contributing warm clothes generously. The initiative sparked conversations about empathy and community responsibility among the participants.

**Conclusion:** On November 20, 2021, the collected donations were distributed to the residents of Shivnagar, Simrol, and Tillore. The distribution event was organized smoothly, ensuring that the donated warm clothing reached those in need ahead of the winter season. The

## Vandevi Social Welfare Society

Reg. No. 03/27/01/20347/18

To,

The Principal,

Swami Vivekanand College of Engineering,

Indore (M.P.)

Greetings!

Donating clothes to the less fortunate is a compassionate act that helps meet basic needs and fosters a sense of community. These donations often go to homeless shelters, community centers, or charitable organizations, where they're distributed directly to those in need. We show the gratitude and appreciate to the team of Swami Vivekananda college of Engineering to successfully conduct a social event "Donation of Clothes" on 02/11/2021 at SVCE Campus, Indore.

Further we would like to appreciate all the Staff and students of Swami Vivekanand College of engineering, Indore for their contribution in this social event. With all their enthusiasm and making this event more delightful.

Regards

Ashish Pathak

## Outcomes Of Outreach Activity

### “ Awareness Activity On Environmental Sustainability ”

The Cleanliness Drive organized by students of Swami Vivekanand College of Engineering at Bhavarkua Square on 5th February 2019 exemplifies the spirit of Swachh Bharat Abhiyan. SVCE students successfully mobilized the community towards embracing cleanliness and hygiene practices. Such endeavors are crucial in instilling a culture of cleanliness and promoting social responsibility for a cleaner and healthier society.

The cleanliness drive made significant impact in creating social awareness about cleanliness and hygiene.

SVCE students' proactive involvement inspired the local community to take ownership of their surroundings and contribute towards a cleaner environment. The awareness campaign and interactive sessions helped in fostering a sense of responsibility and motivating individuals to adopt sustainable practices.

**Report on beyond the campus environmental promotion and sustainability activity**  
**20/07/2018**

**Introduction:**

Swachh Bharat Abhiyan, launched on 2<sup>nd</sup> October 2014, is a nationwide cleanliness campaign initiated by the Government of India. The aim of the campaign is to achieve the vision of a 'Clean India' by 2<sup>nd</sup> October 2019, marking the 150th birth anniversary of Mahatma Gandhi. As part of this initiative, an outreach program was organized by students of SVGI at Chappan Dukan on 20<sup>th</sup> July 2018, to raise awareness about the importance of cleanliness and hygiene in our daily lives.

**Event Details:**

Date: 20th July 2018

Venue: Chappan Dukan

Organized by: SVCE Students

Type of Program: Nukkad Natak (Street Play)

**Objective:**

To educate and motivate the local community, shopkeepers, and passersby at Chappan Dukan about the significance of cleanliness and their role in maintaining a clean environment.

**Activities:**

**Nukkad Natak:** The highlight of the program was a nukkadnatak performed by SVGI students. The play depicted various scenarios highlighting the importance of cleanliness, the health hazards of living in unhygienic conditions, and the impact of littering on the environment. The performance was engaging and thought-provoking, capturing the attention of the audience and delivering the message effectively.

SWAMI VIVEKANAND  
COLLEGE OF ENGINEERING  
KHANDWA ROAD, INDORF

  
PRINCIPAL  
SWAMI VIVEKANAND  
COLLEGE OF ENGINEERING  
KHANDWA ROAD, INDORF

**Interactive Sessions:** Following the nukkad natak, interactive sessions were conducted with the audience. The students explained the objectives of Swachh Bharat Abhiyan and shared practical tips on waste management, segregation of waste, and the proper use of dustbins. The audience was encouraged to ask questions and share their views on the campaign.

**Conclusion:**

The outreach program on Swachh Bharat Abhiyan conducted by SVGI students at Chappan Dukan on 20th July 2018 was a commendable initiative to spread awareness about cleanliness and hygiene. Such programs play a crucial role in mobilizing communities and fostering a sense of responsibility towards maintaining a clean and healthy environment.

Thanks and Regards

Ms. Anjali Bhatiya

## Vandevi Social Welfare Society

Reg. No. 03/27/01/20347/18

To,

The Principal,  
Swami Vivekanand College of Engineering,  
Indore (M.P.)

Greetings!

Nukkad Natak is a dynamic medium for advocating environmental promotion and sustainability activities. By addressing pressing environmental issues such as pollution, deforestation, and climate change, Nukkad Natak fosters awareness, empowers communities, and encourages individuals to adopt eco-friendly behaviors and support sustainable practices. We show the gratitude and appreciate to the team of Swami Vivekananda college of Engineering to successfully conduct a social event "Nukkad Natak on Environmental Promotion and Sustainability Activities" on 20/07/2018 at Chappan Dukan Indore.

Further we would like to appreciate all the students of Mechanical Engineering Department of Swami Vivekanand College of engineering, Indore for their contribution in this social event. With all their enthusiasm and making this event more delightful.

Regards

Ashish Pathak

**Report on beyond the campus environmental promotion and sustainability activity on  
05/02/2019**

**Introduction:**

The Cleanliness Drive organized by students of Swami Vivekanand College of Engineering (SVCE), Indore, at Bhavarkua Square on 5th February 2019, echoes the spirit of the Swachh Bharat Abhiyan initiated by the Government of India. SVCE students took the initiative to extend this mission to the local community through a cleanliness drive at Bhavarkua Square.

**Event Details:**

Date: 5th February 2019

Venue: Bhavarkua Square, Indore

Organized by: Swami Vivekanand College of Engineering (SVCE) Students

Type of Program: Cleanliness Drive

**Objective:**

To raise social awareness about the importance of cleanliness and hygiene in public spaces.

**Activities:**

Cleanliness Drive: Swami Vivekanand College of Engineering (SVCE) students organized a comprehensive cleanliness drive at Bhavarkua Square. They engaged in activities such as picking up litter, sweeping the area, and ensuring proper disposal of waste. The students led by example, demonstrating the significance of taking responsibility for one's environment.

Awareness Campaign: Alongside the cleanliness drive, an awareness campaign was conducted to educate the public about the objectives of Swachh Bharat Abhiyan and the role of individuals in

IQAC COORDINATOR

SWAMI VIVEKANAND  
COLLEGE OF ENGINEERING  
KHANDWA ROAD, INDORE

achieving its goals. Pamphlets and posters were distributed, emphasizing the importance of cleanliness and encouraging behavioral change towards a cleaner environment.

Interactive Sessions: Interactive sessions were held with the local community to discuss the challenges faced in maintaining cleanliness and potential solutions. SVCE students facilitated discussions on waste management techniques, segregation of waste, and the importance of using dustbins. The sessions encouraged active participation and exchange of ideas among participants.

### **Conclusion:**

The Cleanliness Drive organized by students of Swami Vivekanand College of Engineering at Bhavarkua Square on 5th February 2019 exemplifies the spirit of Swachh Bharat Abhiyan. Through their initiative and dedication, SVCE students successfully mobilized the community towards embracing cleanliness and hygiene practices. Such endeavors are crucial in instilling a culture of cleanliness and promoting social responsibility for a cleaner and healthier society.

## Outcomes Of NCC Annual Training Camp

The NCC Combined Annual Training Camp, held from 03/09/2022 to 14/09/2022 at the Swami Vivekanand Group of Institutions (SVGI) campus, successfully instilled discipline, leadership, and a sense of national service among the 312 girls and 79 boys who participated. This comprehensive training program utilized the excellent facilities at SVGI, providing cadets with opportunities for physical training, cultural development, and practical skills in a supportive environment.

The outcomes of the activity are:-

- Enhanced discipline and leadership skills among NCC cadets through structured training and development activities.
- Increased sense of national service and patriotism among youth participants.
- Effective use of SVGI's facilities, including sports grounds and auditorium, for comprehensive training and cultural activities.
- Practical skills development in areas such as drilling and firing practice, utilizing dedicated spaces provided by the campus.
- Strengthened camaraderie and teamwork among cadets, fostering a collaborative and supportive environment.

## **Report on the 10-Day NCC Combined Annual Training Camp from 04/09/2022 to 13/09/2022**

### **Introduction:**

The 10-day NCC Combined Annual Training Camp was organized by the 1 M.P. Girls Battalion NCC at the Swami Vivekanand Group of Institutions (SVGI) campus. This camp, held from 04/09/2022 to 13/09/2022, provided an extensive training and development opportunity for NCC cadets. The camp saw participation from 312 girls and 79 boys, aiming to instill discipline, leadership, and a sense of national service among the youth.

### **Event Details:**

Duration: 03/09/2022 to 14/09/2022

Location: Swami Vivekanand Group of Institutions (SVGI) Campus

Participants: 312 girls and 79 boys NCC cadets

Organizers: 1 M.P. Girls Battalion NCC

Facilities Provided by SVGI:

16 rooms in the MBA Block for accommodation

Cricket, Basketball, and Volleyball grounds for drilling practice

Open amphitheatre for cultural activities

Auditorium for cultural activities

Area behind the workshop for firing practice

**Objective:**

To provide rigorous training to NCC cadets, fostering qualities such as leadership, teamwork, discipline, and physical fitness.

To prepare the cadets for future challenges and responsibilities, enhancing their skills in various military and civilian activities.

**Activities:**

Drilling Practice: Conducted on the cricket, basketball, and volleyball grounds to enhance discipline, coordination, and teamwork among cadets.

Cultural Activities: Held in the SVGI Auditorium, these activities included skits, dances, and musical performances to promote creativity and cultural awareness.

Firing Practice: Organized in the area behind the workshop, this activity aimed to improve the marksmanship and shooting skills of the cadets.

Physical Training: Daily PT sessions to boost physical fitness and endurance.

Lectures and Workshops: Conducted on various topics including leadership, national integration, and personal development.

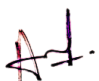

Recreational Activities: Utilized the open-air theater for leisure and entertainment, ensuring a balanced routine for the cadets.

**Conclusion:**

The 10-day NCC Combined Annual Training Camp at SVGI was a resounding success, achieving its objectives of training and developing young cadets. The comprehensive facilities and support provided by SVGI significantly contributed to the smooth execution of the camp. The participants gained valuable skills and experiences, which will undoubtedly benefit them in their future endeavors. The camp not only reinforced the principles of NCC but also strengthened the camaraderie and spirit of service among the cadets.

## Outcomes of outreach activity

### “ Awareness Campaign On Water-Borne Diseases ”

The water-borne diseases awareness campaign organized by Swami Vivekanand College of Engineering and the 1 M.P. Girls Battalion NCC in Simrol underscored the importance of proactive community engagement in promoting public health and sanitation. By imparting knowledge, fostering dialogue, and advocating preventive measures. The initiative contributed in building a healthier and more resilient community. Continued efforts and collaborative initiatives are essential to sustain the momentum and further improve the well-being of the residents in Simrol and beyond.

The water-borne diseases awareness campaign had following several notable impacts:-

- Increased knowledge and awareness among residents about the causes, symptoms, and prevention of water-borne illnesses.
- Empowerment of community members with practical strategies for maintaining clean water sources and adopting proper hygiene practices.
- Promotion of behavior change towards improved sanitation and hygiene habits, leading to a reduced risk of water-borne diseases.

## Report on Water-Borne Diseases Awareness Campaign Collaboration with 1 M.P. Girls Battalion NCC on 03/02/2023

### Introduction:

On 3<sup>rd</sup> February 2023, Swami Vivekanand College of Engineering, in collaboration with the 1 M.P. Girls Battalion NCC, organized a water-borne diseases awareness campaign in Simroal. The initiative aimed to educate the local community about the risks associated with water-borne illnesses and promote preventive measures to ensure better health and sanitation practices.

### Event Details:

Date: 3<sup>rd</sup> February 2023

Venue: Simroal, Indore

Organized by: Swami Vivekanand College of Engineering (SVCE).

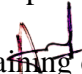

Type of Program: Water-Borne Diseases Awareness Campaign

### Objective:

To raise awareness among the residents of Simroal about the prevalent water-borne diseases in their area.

### Activities:

The students of SVCE Indore provides knowledge and awareness among residents about the causes, symptoms, and prevention of water-borne illnesses and discussed about practical strategies for maintaining clean water sources and adopting proper hygiene practices.

**Conclusion:**

The water-borne diseases awareness campaign organized by Swami Vivekanand College of Engineering and the 1 M.P. Girls Battalion NCC in Simroal underscored the importance of proactive community engagement in promoting public health and sanitation. By imparting knowledge, fostering dialogue, and advocating preventive measures, the initiative contributed to building a healthier and more resilient community. Continued efforts and collaborative initiatives are essential to sustain the momentum and further improve the well-being of the residents in Simroal and beyond.

## Outcomes Of Outreach Activity

### “ Outreach Activity On Water Harvesting ”

The water harvesting campaign organized by Swami Vivekanand College of Engineering and the 1 M.P. Girls Battalions NCC in Simrol exemplified the potential for collective action to address water scarcity challenges. By fostering awareness, providing education, and promoting practical solutions. The initiative contributed in building a more resilient and water-secure community. Continued collaboration and concerted efforts are essential to sustain the momentum and further advance the adoption of rainwater harvesting practices for the benefit of present and future generations.

#### Following are the outcomes:-

- Increased awareness among residents about the importance of rainwater harvesting as a sustainable water management solution.
- Empowerment of community members with knowledge and skills to implement rainwater harvesting systems in their homes and neighborhoods.
- Reduction in water scarcity and improved access to water resources through the implementation of rainwater harvesting initiatives.
- Promotion of environmental sustainability and conservation efforts, leading to long-term benefits for the community and the ecosystem.

## Outcomes of Outreach Activity

### “ Awareness Activity on Thalassemia and Sickle Cell Disease ”

The Outreach Awareness Activity on Thalassemia and Sickle Cell Disease conducted by Swami Vivekanand College of Engineering, in collaboration with the 1 M.P. Girls Battalion NCC, was a commendable initiative. By educating the community and promoting proactive measures for disease prevention and management, the event contributed to improving health outcomes and fostering a sense of solidarity within Dr. Ambedkar Nagar (MHOW). Such collaborative efforts underscore the significance of community engagement in addressing public health challenges and advancing collective well-being.

The outreach activity had following significant impacts on the community and participants:

- **Increased Awareness:** The event successfully raised awareness about thalassemia and sickle cell disease, dispelling myths and misconceptions surrounding these conditions.
- **Early Detection:** Screening camps facilitated early detection of thalassemia and sickle cell disease, enabling individuals to seek timely medical intervention and support.
- **Community Engagement:** The collaborative effort between Swami Vivekanand College of Engineering and the 1 M.P. Girls Battalion NCC fostered community engagement and highlighted the importance of collective action in addressing health issues.

## **Report on Outreach Awareness Activity on Thalassemia and Sickle Cell Disease**

### **Introduction:**

Swami Vivekanand College of Engineering, in collaboration with the 1 M.P. Girls Battalion NCC, organized an Outreach Awareness Activity on Thalassemia and Sickle Cell Disease at Dr. Ambedkar Nagar (MHOW) on 10/02/2023. This collaborative effort aimed to educate the community about these genetic blood disorders and raise awareness about preventive measures and treatment options.

### **Event Details:**

Date: 10/02/2023

Location: Dr. Ambedkar Nagar (MHOW)

Participants: 9 NCC Cadets from Swami Vivekanand College of Engineering

Collaborator: 1 M.P. Girls Battalion NCC

### **Objective:**

To spread awareness about thalassemia and sickle cell disease among the residents of Dr. Ambedkar Nagar (MHOW).
