ABOUT THE COLLEGE

Swami Vivekanand Group of Institutes was established in 2004 under the auspices of Swami Vivekanand Takniki Sansthan, Indore, to fulfill the demand of an ideal Technical, Pharmacy & Management institution. SVGI, which has carved a special place rich in the field of education around Indore is not only approved by All India Council for technical Education (AICTE) New Delhi, the premier Central Regulatory Body but is also an affiliate to Rajiv Gandhi Prodyogiki Vishwavidyalaya, Bhopal and Devi Ahilya Vishwavidyalaya, Indore. It is duly recognized by the Directorate of Technical Education, Madhya Pradesh, spread over a scenic campus of over 25 acres land.

ABOUT DEPARTMENT

The Master of Business Administration. Department was established in the year 2004. An MBA (Master of Business Administration) is a graduate-level degree that provides advanced education in business management and administration. It covers various subjects such as finance, marketing, operations, and strategy. An MBA equips individuals with valuable skills and knowledge to pursue leadership roles in various industries and sectors.

OBJECTIVES OF THE EVENT

The objective of stress management training is to equip individuals with effective coping mechanisms and strategies to mitigate the negative impact of stress on their mental, emotional, and physical well-being. Through education, awareness, and skill-building exercises, participants learn to identify stress triggers, develop resilience, and cultivate healthy responses to pressure. The training aims to enhance self-awareness, promote relaxation techniques, improve problem-solving abilities, and foster a

supportive environment for seeking help when needed. Ultimately, the goal is to empower individuals to proactively manage stress, leading to increased productivity, better relationships, and overall improved quality of life.

ABOUT THE COLLEGE

Swami Vivekanand Group of Institutes was established in 2004 under the auspices of Swami Vivekanand Takniki Sansthan, Indore, to fulfill the demand of an ideal Technical, Pharmacy & Management institution. SVGI, which has carved a special place rich in the field of education around Indore is not only approved by All India Council for technical Education (AICTE) New Delhi, the premier Central Regulatory Body but is also an affiliate to Rajiv Gandhi Prodyogiki Vishwavidyalaya, Bhopal and Devi Ahilya Vishwavidyalaya, Indore. It is duly recognized by the Directorate of Technical Education, Madhya Pradesh, spread over a scenic campus of over 25 acres land.

ABOUT DEPARTMENT

The Master of Business Administration. Department was established in the year 2004. An MBA (Master of Business Administration) is a graduate-level degree that provides advanced education in business management and administration. It covers various subjects such as finance, marketing, operations, and strategy. An MBA equips individuals with valuable skills and knowledge to pursue leadership roles in various industries and sectors.

OBJECTIVES OF THE EVENT

The objectives of Advanced Presentation Skills training are to refine participants' abilities to deliver compelling and impactful presentations. This includes honing techniques for audience engagement, mastering advanced delivery methods such as storytelling and persuasion, enhancing visual design proficiency, managing nerves effectively, and fostering confidence in handling Q&A sessions.

ABOUT THE COLLEGE

Swami Vivekanand Group of Institutes was established in 2004 under the auspices of Swami Vivekanand Takniki Sansthan, Indore, to fulfill the demand of an ideal Technical, Pharmacy & Management institution. SVGI, which has carved a special place rich in the field of education around Indore is not only approved by All India Council for technical Education (AICTE) New Delhi, the premier Central Regulatory Body but is also an affiliate to Rajiv Gandhi Prodyogiki Vishwavidyalaya, Bhopal and Devi Ahilya Vishwavidyalaya, Indore. It is duly recognized by the Directorate of Technical Education, Madhya Pradesh, spread over a scenic campus of over 25 acres land.

ABOUT DEPARTMENT

The Information Technology Engg. Department was established in the year 2004. The Information Technology (IT) department manages technology infrastructure, systems, and support within an organization. It oversees hardware, software, cyber security, system administration, and data management, aiming to optimize technology usage, ensure security, and support business operations effectively.

OBJECTIVES OF THE EVENT

The objective of training on Teaching Techniques and Methodology is to equip educators with the knowledge, skills, and strategies needed to enhance their teaching effectiveness. Through the exploration of diverse pedagogical Approaches, active learning strategies, differentiated instruction methods, and Effective assessment practices, educators aim to create engaging and inclusive Learning environments. Additionally, the training seeks to facilitate the integration of technology

into teaching, develop classroom management skills, and promote continuous professional development. Ultimately, the goal is to empower educators to foster student engagement, critical thinking, and learning outcomes, thereby enhancing the overall quality of education delivery.

ABOUT THE COLLEGE

Swami Vivekanand Group of Institutes was established in 2004 under the auspices of Swami Vivekanand Takniki Sansthan, Indore, to fulfill the demand of an ideal Technical, Pharmacy & Management institution. SVGI, which has carved a special place rich in the field of education around Indore is not only approved by All India Council for technical Education (AICTE) New Delhi, the premier Central Regulatory Body but is also an affiliate to Rajiv Gandhi Prodyogiki Vishwavidyalaya, Bhopal and Devi Ahilya Vishwavidyalaya, Indore. It is duly recognized by the Directorate of Technical Education, Madhya Pradesh, spread over a scenic campus of over 25 acres land.

ABOUT DEPARTMENT

The Information technology. Department was established in the year 2004. Information technology encompasses the use of computers, networks, software, and other digital tools to store, retrieve, transmit, and manipulate data. It encompasses a wide range of applications, from basic computing tasks to complex systems like artificial intelligence and block chain. IT revolutionizes communication, business operations, and daily life and sectors.

OBJECTIVES OF THE EVENT

The objective of lab safety and procedures training is to ensure a safe and secure working environment for laboratory personnel. This includes understanding and implementing protocols for handling hazardous materials, operating equipment safely, responding to emergencies, and fostering a culture of safety. The goal is to minimize risks and promote responsible conduct in the laboratory setting.
