IQAC Meeting Proceedings
Meeting Date: 10/12/2022

The meeting of IQAC of Swami Vivekanand College of Engineering, Indore started on 10th December 2022 at 01:30 PM in the Seminar Hall (Room No.201), Engineering Block of the college. At the beginning of the meeting, Principal Dr. Pradeep Patil welcomed to present members of IQAC and authorized the IQAC coordinator to complete the proceedings of the meeting.

The following members were present:

Mr. Sachin Mishra
Dr. Pradeep Patil
Mrs. Neha Khandelwal
Mr. Kapil Kushwah
Mr. Suresh Sharma
Dr. Megha Soni
Dr. Manik Welankar
Mr. Manoj Sharma
Mr. Jayesh Kumar Dabi

The following members were absent:

Ms. Chandramala Amarji
Mr. Goutam Varma

Meeting Minutes:

1. Discussion on Second Mid Semester Exam Pattern: Principal S.V.C.E. suggested planning the second Mid Semester exam as per the RGPV main theory examination pattern.
2. Suggestions for Women Empowerment Activity: Electronics and Communication HOD proposed organizing a women empowerment activity
3. Suggestions for Social Awareness Campaign in Villages: Head, Civil Engineering Department suggested conducting a social awareness campaign in nearby villages.
4. NAAC criteria 3 and 4 is being finalized as per the format and update is required for current session.
5. Parents Meeting for Institute Improvement: The Director suggested organizing a parent meeting to facilitate interaction between parents and faculty members. The purpose is to gather feedback and suggestions from parents regarding the improvement of the institute and the academic experience of their children.

The meeting was adjourned, with IQAC Coordinator expressing gratitude to all attendees for their active participation and valuable contributions.

Meeting Date: 14/12/2020

Meeting Time: 01:30 PM

Meeting Venue: Board Room

Review on Minutes of Meeting of IQAC dated 07/07/2020:

1. Smooth Conduction of Online Lectures during COVID-19 Pandemic:

Our online lectures are designed to promote active participation and engagement among students through interactive polls, breakout sessions, and discussion forums, fostering a dynamic learning environment

2. Free Certification Webinar on different Department:

- Mechanical Engineering Department organized a free certification webinar on related field. This webinar aims to provide students with insights into various career opportunities and industry trends.

3. Enrolment in RGPV TEQIP Event:

- RGPV and TEQIP event organized for students and faculty of college.

4. Collaboration with any Professional body:

- The college has collaborated with Shri Jagannath Industries Indore.

5. Familiarize with NAAC Guidelines:

- NAAC SSR format, criteria, and guidelines provided by NAAC are thoroughly read and understood by NAAC Team Members.

The meeting was adjourned, with IQAC Coordinator expressing appreciation to all attendees for their active participation and commitment to enhancing the institute's quality assurance measures.

IQAC Meeting Proceedings
Meeting Date: 7/07/2020

The meeting of IQAC of Swami Vivekanand College of Engineering, Indore started on 7th July 2020 at 01:30 PM in the Board Room, Admin Block of the college. At the beginning of the meeting, Principal Dr. Pradeep Patil welcomed to present members of IQAC and authorized to IQAC coordinator to complete the proceedings of the meeting.

The following members were present:

1. Mr. Sachin Mishra
2. Dr. Pradeep Patil
3. Ms. Neha Khandelwal
4. Mr. Mitesh Bargadiya
5. Mr. Manoj Sharma
6. Mr. Suresh Sharma
7. Dr. Megha Soni
8. Mr. Parikshit Joshi

The following members were Absent:

1. Mr. Kapil Kushwah
2. Dr. Manik Welankar

Meeting Minutes:

Agenda 1:- Discussion on Upcoming plans and initiatives

Action:- Following upcoming plans and initiatives were proposed:

1. **Free Certification Webinar:** These webinars aim to provide students with insights into various career opportunities and industry trends.
2. **Enrolment in RGPV TEQIP Event:** The upcoming RGPV TEQIP event aims to foster innovation, collaboration, and excellence in education and research.
3. **Collaboration with any Professional body :** Our objective of collaborating with a professional body is to enhance student opportunities, foster industry-academia partnerships & to promote professional development.
4. **Expert Talk for Department of Engineering Chemistry:** The objective for organizing an expert talk on engineering chemistry is to provide students with insights into the practical applications and advancements in the field.

5. Familiarize with NAAC Guidelines:

Read and understand the NAAC SSR format, criteria, and guidelines provided by NAAC.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on the 07/12/2022 (Seventh of December Two Thousand Twenty two) by and between

Shri Jagannath Industries, Indore THE FIRST PARTY represented herein by its Mr. Shubham Tyagi.

AND

Swami Vivekanand College of Engineering, Indore, Madhya Pradesh, India, THE SECOND PARTY represented herein by its Mr. Sachin Mishra.

PURPOSE OF MOU

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under Community College Centre, Swami Vivekanand College of Engineering, Indore MP India.
2. Organize various workshops on Entrepreneurship Development
3. Provide hands-on instruction in the development of entrepreneurship
4. Create chances for self-employment
5. Assist the students in establishing various start-ups
6. Provide opportunities for placement of trained students

[Signature]

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET
FOR IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

Since both parties share similar goals and interests, they will work together to create a communication and working interaction that will contribute to the advancement of their individual operations. In order to secure further chances for one another, the parties will keep each other informed of prospective opportunities and communicate any information that may be useful.

Through major contributions to the development of appropriate teaching/training systems that take into account the demands of the Second Party, the cooperation between the First Party and the Second Party will enable the effective utilization of the First Party's intellectual resources.

Clause 2

SCOPE OF THE MOU

Both parties believe the student would greatly benefit from rigid collaboration between the two in terms of skill and knowledge enhancement.

To make it possible for the students to effectively adapt into the industrial setting, the First Party will provide to the Second Party with valuable guidance about teaching and training technique.

Industry and SVCE interaction will provide insight into the most recent advancements and industry requirements; the First Party will allow Second Party faculty and students to visit its group companies and participate in First Party industrial training programmes. Students will gain confidence and be better equipped to make a seamless transition from school to the workforce thanks to the industrial training and exposure our association offers. The learners registered with the Second Party will receive hands-on instruction at the First Party's laboratories, workshops, and industrial sites.

To close the skill gap and prepare the Second Party students for industry, the First Party will provide them with training on cutting edge technology.

In order to provide guest lectures on technological trends and in-house requirements to the Second Party's students, the First Party will provide the required assistance.

The First Party will take an active role in assisting the Second Party in providing training and arranging its students with internships or employment.

To,

Mr. Anshu Mishra

Swami Vivekananda College of Engineering, Indore (M.P)

Sub: Sincerest thanks for joining hands with Shri Jagannath Industries, Indore

Dear Sir,

I am writing to express my sincere appreciation for the opportunity to host training from **Swami Vivekanand College of Engineering, Indore** at **Shri Jagannath Industries, Indore, and Madhya Pradesh, India**. We have been impressed by the caliber and enthusiasm of the students, and we are grateful for the chance to contribute to their professional development.

The training program has been a valuable experience for both our company and the students. Our team has benefited from the fresh perspectives and skills that the interns brought, and we have seen tangible contributions to our projects. We are confident that this experience will have a positive impact on their future careers.

We would like to express our sincere gratitude to your institute for sending 35 students of Mechanical Engineering (IIIrd Year). I hope that our collaboration will take both the organizations to greater heights.

Thank you again for your support and partnership.

Best regards,

Mr. Shubham Tyagi

Sub: Sincerest thanks for joining hands with EBST Solutions Private Limited

Dear Sir,

It's a great pleasure for us that your organization Swami Vivekanand College of Engineering has signed a memorandum of understanding with our firm EBST Solutions Private Limited. EBST Solutions Private Limited (EBST), is incorporated under the Companies Act 2013 is an ISO 9001:2015 certified company based at Indore, Madhya Pradesh. EBST also registered with The National Small Industries Co-Operational Ltd. (NSIC) under Micro Small Enterprises (MSEs) is notified by the Govt. of India

We would like to express our sincere gratitude to you your students. I hope that our collaboration will take both the organizations to greater heights. This year (2022-23) around 50 students participated in various courses offered by our firm. I, once again, thank you for having faith in our organization. Thank you for all cooperation and I look forward to more years of togetherness.

Yours sincerely,

Er. Rajesh Kumar Singhadiya
(Director)
EBST Solutions Private Limited.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 14th day of Sept 2022.

BETWEEN

EBST Solutions Private Limited, H. No. 41 B Nyay Nagar Extension, Indore-452010 (M.P.), Madhya Pradesh, India, and represented herein by its Director, Er. Rajesh Kumar Singadiya Competent Authority / Representative, (hereinafter referred to as "First Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Swami Viviekanand College of Engineering, Indore (M.P.) represented herein by its Mr. Sachin Mishra, Director SVGI (hereinafter referred as 'Second Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is engaged in Business, Energy Audit, Skill Development, Education and R&D Services in the fields of Energy Conservation, Energy Management and related fields.
- B) EBST Solutions Private Limited
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The both Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

EBST Solutions Private Limited

E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

F) **Swami Vivekananda College of Engineering, Indore (M.P)**, the Second Party is a Higher Educational Institution.

Swami Vivekananda College of Engineering (SVCE) intends to provide transformative education by pursuing excellence in engineering and management and by developing skills that meet the changing demands of the society.

The mission of the college is as:

1. To impart human values and to promote leadership qualities among students.
2. To set up a suitable infrastructure and provide better resources to students and faculties.
3. To encourage academic excellence amongst faculty and students to create future leader and innovators.
4. To be a student-centered college that addresses social issues while incorporating creative, experiential and lifetime learning methods.
5. To collaborate with industries, academic institutions and research centers to improve the technical and managerial skills.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within their working place and their related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

EBST Solutions Private Limited

- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the trainer of First Party providing significant inputs to them in developing suitable training systems, keeping in mind the needs of the industry to the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First Party will give valuable inputs to the second Party in training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the first Party to permit the Faculty and Students of the second Party to visit its group companies and also involve in Industrial Training Programs for the second Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career.

The first Party will provide its Labs / Workshops / Industrial Sites for the hands on training of the learners enrolled with the second Party.

- 2.4 **Internships and Placement of Students:** first Party will actively engage to help the delivery of the Internship and placement of students of the second Party into internships/jobs, as per AICTE internship Policy.
- 2.5 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Energy Management and Applied research for the Industry.
- 2.6 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid for one year, during which period **EBST Solutions Private Limited**, the first Party, as the case may be, will take effective steps for implementation of this MOU.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

EBST Solutions Private Limited

Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Indore**.

First Party

Second Party

To,

The Principal,

Swami Vivekanand College of Engineering,

Indore (M.P.)

Greetings!

Nukkad Natak," or street play, on the dowry system is a powerful way to raise awareness and spark conversations about this deeply entrenched social issue. By engaging directly with audiences, Nukkad Natak on the dowry system encourages reflection, empathy, and collective action towards ending this harmful practice and promoting gender equality. We show the gratitude and appreciate to the team of Swami Vivekananda college of Engineering to successfully conducted a social event "Nukkad Natak on Dowry System" on 10/01/2023 at Village Datoda, Dist. Indore

Further we would like to appreciate all the students of Mechanical Engineering Department of Swami Vivekanand College of engineering, Indore for their contribution in this social event. With all their enthusiasm and making this event more delightful.

Regards

Ashish Pathak

- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First Party will give valuable inputs to the second Party in training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the first Party to permit the Faculty and Students of the second Party to visit its group companies and also involve in Industrial Training Programs for the second Party.

IO'S COORIN TO
SWAN VIKAS
COLLEGE OF ENGINEERING
KHAMWAD, DURG
The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The first Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the second Party.

- 2.4 Internships and Placement of Students: first Party will actively engage to help the delivery of the Internship and placement of students of the second Party into internships/jobs, as per AICTE internship Policy.
- 2.5 Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of Energy Management and Applied research for the Industry.
- 2.6 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid for one year, during which period **Empirical Exergy Private Limited**, the first Party, as the case may be, will take effective steps for implementation of this MOU.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this

Empirical Exergy Private Limited

MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of Indore.

Brief About Institute

- A) **MSME Technology Centre (Indo German Tool Room, Indore)** herein after called Technology Centre, is a Govt. of India Society established with the technical cooperation from the federal republic of Germany and State government of Madhya Pradesh, is already conducting various AICTE/NCVT/NSQF approved long. Medium and short term courses, with have wide acceptance and also provides good job opportunity in the industries.

Domain Background: Training on Tool and Die making, Machinist trade, D.Voc Production Technology, Skill Diploma and CNC/Robotics/SCADA/PLC/CAD/CAM and Automation (Refer IGTR Training Course Calendar).

Registered Head Office: 291/B-302/a sector E, Industrial Area Sanwer Road Indore-452015 (M.P.)

- B) **Swami Vivekanand Group of Institutions** was established in 2004 under the auspices of Swami VivekanandTaknikiSansthan, Indore, to fulfill the demand of an ideal Technical, Pharmacy & Management Program.

SVGI, which has carved a special place, rich in the field of education around Indore. It is not only approved by All India Council for technical Education (AICTE) New Delhi, the premier Central Regulatory Body but is also an affiliated to Rajiv Gandhi Proudhyogiki Vishwavidyalaya, Bhopal and Devi AhilyaVishwavidyalaya, Indore. It is duly recognized by the Directorate of Technical Education, Madhya Pradesh, spread over a scenic campus of over 25 acres of land with updated tools of education with modern lab equipments.

Vision of Swami Vivekanand College of Engineering

Swami Vivekanand College of Engineering (SVCE) aspires to create Center of Excellence for continuous learning by providing state-of-art Techno-Management Education to the students and learners, by enhancing the capabilities to be the Techno-Management Thought Leaders.

Following Points are discussed and agreed upon

1. Institute and Technology Centre recognize that they share common goals and are desirous to establish, a cooperative arrangement towards-strengthening Indian higher education (though curricula, faculty, infrastructure, pedagogy improvement) in line with the diverse industry's requirement of relevant skill-sets in Mechanical Engineering, Civil Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology and Computer Science & Engineering at different levels (diploma, graduate & post-graduate) in different time-frames.
2. Both organizations have mutually agreed to collaborate for the training of students in the above area and Industrial Employees at Institute Premises or Technology Centre Premises depending on the availability of the lab infrastructure, for the enhancement of knowledge based enterprises, technical and management skill for future economic development. Exchanging of information concerning tool and die making and machinist trade and many more technology/other core sectors and work towards effective Industry-Academia partnership for Human Resources Development, undertaking projects and R & D.
3. Both TC & Institute HEREBY ACKNOWLEDGE and DECLARE as follows:
Technology Centre and Institute agree to serve as a link between Industry and Educational Institution for ensuring relevant and quality learning, especially through the following:
 - 3.1) Courses will be conducted at Institute or Technology Centre premises depending on the availability of the Infrastructure and lab facilities required.
 - 3.2) Institute has agreed to provide lab infrastructure covering training space, lighting, air-conditioning, furniture, computer machines, UPS supply etc required for successful conduction of training.
 - 3.3) Technology Centre has agreed to conduct Training Program for me to VI Semester of Diploma, I to V Semester of B.Tech and me to IV Semester PG Students of Mechanical Engineering, Civil

Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology and Computer Science & Engineering Branches.

- 3.4) Institute will try to provide maximum numbers of students of all Semesters from Mechanical Engineering, Civil Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology and Computer Science & Engineering branches, each year Without any minimum specific number commitment. The training duration and timing will be as per mutually agreed time and dates. Fee collection from the students will be through Technology Centre. TDS will be deducted as per the Govt. Rules.
- 3.5) The training for the students and industrial employee of Indore and nearby areas will be conducted at institute premises only if the facilities are available.
- 3.6) Technology centre and Institute both are agreed for the joint promotion of the training.
- 3.7) This tie up will be exclusive tie-up with Technology Centre and Institute for **TWO YEAR** from the date of sign of MOU and can be extended further on mutual agreement.
- 3.8) Students who are completing their training at institute premises for them participation certificate should be given by Technology Centre.
- 3.9) TC & Institute will also identify the college faculty for training through various initiatives, including faculty development program by re-skilling the faculty in the relevant disciplines.
- 3.10) TC & Institutes will promote student & faculty interface with the industry by way of training/workshops, projects/Internship etc.
- 3.11) TC & Institutes are mutually agreed to do the consultancy on jointly basis on the basis of expertise available with each.
- 3.12) MSME-TC will conduct courses as per enclosed list & also as per need of the institute. Fee & Duration will be decided mutually.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on the 03/01/2022 at Indore on the 03rd of January Two Thousand Twenty two) by and between

Shri. Jagannath Industries, Indore THE FIRST PARTY represented herein by its Mr. Shubham Tyagi.

AND

Swami Vivekanand College of Engineering, Indore, Madhya Pradesh, India, THE SECOND PARTY represented herein by its Mr. Sachin Mishra.

PURPOSE OF MOU

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under Community College Centre, Swami Vivekanand College of Engineering, Indore MP India.
2. Organize various workshops on Entrepreneurship Development
3. Provide hands-on instruction in the development of entrepreneurship
4. Create chances for self-employment
5. Assist the students in establishing various start-ups
6. Provide opportunities for placement of trained students

NOV 2015
THERFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET
FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

Since both parties share similar goals and interests, they will work together to create a communication and working interaction that will contribute to the advancement of their individual operations. In order to secure further chances for one another, the parties will keep each other informed of prospective opportunities and communicate any information that may be useful.

Through major contributions to the development of appropriate teaching/training systems that take into account the demands of the Second Party, the cooperation between the First Party and the Second Party will enable the effective utilization of the First Party's intellectual resources.

Clause 2

SCOPE OF THE MOU

Both parties believe the student would greatly benefit from rigid collaboration between the two in terms of skill and knowledge enhancement.

To make it possible for the students to effectively adapt into the industrial setting, the First Party will provide to the Second Party with valuable guidance about teaching and training technique.

Industry and SVCE interaction will provide insight into the most recent advancements and industry requirements; the First Party will allow Second Party faculty and students to visit its group companies and participate in First Party industrial training programmes. Students will gain confidence and be better equipped to make a seamless transition from school to the workforce thanks to the industrial training and exposure our association offers. The learners registered with the Second Party will receive hands-on instruction at the First Party's laboratories, workshops, and industrial sites.

To close the skill gap and prepare the Second Party students for industry, the First Party will provide them with training on cutting edge technology.

In order to provide guest lectures on technological trends and in-house requirements to the Second Party's students, the First Party will provide the required assistance.

The First Party will take an active role in assisting the Second Party in providing training and arranging its students with internships or employment.

IQAC COORDINATOR
SWAMI VIVEKANAND
COLLEGE OF ENGINEERING
KHANDWA ROAD, INDORE

Clause 3 VALIDITY

The validity of the agreement is one year from the date of agreement.

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination both parties have to discharge their obligations.

Any dispute will be settled in the Court only where the Swami Vivekanand College of Engineering, Indore is situated.

Sub: Sincerest thanks for joining hands with Shri Jagannath Industries, Indore

Dear Sir,

I am writing to express my sincere appreciation for the opportunity to host training from **Swami Vivekananda College of Engineering, Indore** at **Shri Jagannath Industries, Indore, and Madhya Pradesh, India**. Your Contribution have been invaluable to our students and I am grateful for all that you do.

The training program has been a valuable experience for both our company and the students. Our team has benefited from the fresh perspectives and skills that the interns brought, and we have seen tangible contributions to our projects. We are confident that this experience will have a positive impact on their future careers.

We would like to express our sincere gratitude to your institute for sending 27 students of Mechanical Engineering (IIIrd Year). I hope that our collaboration will take both the organizations to greater heights.

We look forward to continuing our collaboration and providing opportunities for future training from Swami Vivekananda College of Engineering, Indore. Once again, thank you for all that you do and we appreciate your hard work and dedication.

Thank you again for your support and partnership.

Best regards,
Mr. Shubham Tyagi
 Director

Between:

Swami Vivekanad College of Engineering

Near Toll Naka, Umarikheda Khandwa Road Indore

And:

Vandevi Social Welfare Society

Vijay Nagar Indore (MP)

Date of Agreement: 01-12-2021

1. Purpose:

This MoU is established to formalize the collaboration between Swami Vivekanad College of engineering and Vandevi Social welfare Society for conducting social work initiatives in rural villages.

2. Objectives:

The primary objectives of this collaboration are:

To address socio-environmental challenges in rural communities through sustainable development initiatives.

To provide experiential learning opportunities for students through community engagement and service-learning projects.

To foster a culture of social responsibility and civic engagement among college students.

3. Scope of Work:

Swami Vivekanad College of engineering agrees to:

Provide logistical support, including transportation arrangements for student volunteers. Facilitate access to educational resources and expertise for community development projects. Vandevi Social welfare Society agrees to:

Identify target villages and assess their needs in collaboration with Swami Vivekanad College of engineering.

Develop and implement community-based initiatives, including healthcare, education, livelihood development, and environmental conservation projects.

Provide training and guidance to college students participating in social work activities.

4. Duration:

This agreement shall commence on 01-12-2021 and remain in effect for a period 1 year, unless terminated earlier by mutual agreement.

5. Resources:

Both parties agree to allocate resources, including funding, personnel, and materials, as necessary to fulfill their respective roles as outlined in this MoU.

6. Governance and Management:

A joint steering committee comprising representatives from Swami Vivekanad College of engineering. and Vandevi Social welfare Society shall oversee the implementation of collaborative projects, monitor progress, and make decisions regarding resource allocation and strategic direction.

Greetings!

Donating clothes to the less fortunate is a compassionate act that helps meet basic needs and fosters a sense of community. These donations often go to homeless shelters, community centers, or charitable organizations, where they're distributed directly to those in need. We show the gratitude and appreciate to the team of Swami Vivekananda college of Engineering to successfully conduct a social event **"Donation of Clothes"** on 02/11/2021 at SVCE Campus, Indore.

Further we would like to appreciate all the Staff and students of Swami Vivekanand College of engineering, Indore for their contribution in this social event. With all their enthusiasm and making this event more delightful.

Regards

CLAUSE 2 SCOPE OF THE MoU

The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of KTRC Engineering Services, Mandsaur specializations, Activities and Services.

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies to bridge the skill gap and make them industry ready.

Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

Faculty Development Programs: Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 25% *** of the students. The Second Party will itself absorb at least 5%*** percentage of the trained students.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified herein

There is no financial commitment on the part of the **SWAMI VIVEKANAND COLLEGE OF ENGINEERING**, the First Party to take up any programme mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period KTRC Engineering Services, Indore, the Second Party will take effective steps for implementation of this MOU. Any act on the part of Training Partner or KTRC Engineering Services, Indore, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties must discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Sub: Sincerest thanks for joining hands with EBST Solutions Private Limited

Dear Sir,

It's a great pleasure for us that your organization Swami Vivekanand College of Engineering has signed a memorandum of understanding with our firm EBST Solutions Private Limited. EBST Solutions Private Limited (EBST), is incorporated under the Companies Act 2013 is an ISO 9001:2015 certified company based at Indore, Madhya Pradesh. EBST also registered with The National Small Industries Co-Operational Ltd. (NSIC) under Micro Small Enterprises (MSEs) is notified by the Govt. of India

We would like to express our sincere gratitude to you your students. I hope that our collaboration will take both the organizations to greater heights. This year (2021-22) around 75 students participated in various courses offered by our firm. I, once again, thank you for having faith in our organization. Thank you for all cooperation and I look forward to more years of togetherness.

Yours sincerely,

Er. Rajesh Kumar Singadiya

Between

MSME TECHNOLOGY CENTRE, INDORE

(INDO GERMAN TOOL ROOM, INDORE)

AND 6/5/2020

SWAMI VIVEKANAND COLLEGE OF ENGINEERING, INDORE

MSME TECHNOLOGY CENTRE
(Indo German Tool Room, Indore)

Mr. M.K. Paliwal
Sr. Manager (Trg.)

SWAMI VIVEKANAND COLLEGE OF ENGINEERING, INDORE

Mr. Sachin Mishra (Director SVCE)

Brief About Institute

- A) MSME Technology Centre (Indo German Tool Room, Indore) herein after called Technology Centre, is a Govt. of India Society established with the technical cooperation from the Federal republic of Germany and State government of Madhya Pradesh, is already conducting various AICTE/NCVT/NSQF approved long. Medium and short term courses, with have wide acceptance and also provides good job opportunity in the industries.

13 JAN 2020

Domain Background: Training on Tool and Die making, Machinist trade, D.Voc Production Technology, Skill Diploma and CNC/Robotics/SCADA/PLC/CAD/CAM and Automation (Refer IGTR Training Course Calendar).

Registered Head Office: 291/B-302/a sector E, Industrial Area Sanwer Road Indore-452015 (M.P.)

B) **Swami Vivekanand Group of Institutions** was established in 2004 under the auspices of Swami Vivekanand Takniki Sansthan, Indore, to fulfill the demand of an ideal Technical, Pharmacy & Management Program.

SVGI, which has carved a special place, rich in the field of education around Indore. It is not only approved by All India Council for technical Education (AICTE) New Delhi, the premier Central Regulatory Body but is also an affiliated to Rajiv Gandhi Proudhyogiki Vishwavidyalaya, Bhopal and Devi Ahilya Vishwavidyalaya, Indore. It is duly recognized by the Directorate of Technical Education, Madhya Pradesh, spread over a scenic campus of over 25 acres of land with updated tools of education with modern lab equipments.

Vision of Swami Vivekanand College of Engineering

Swami Vivekanand College of Engineering (SVCE) aspires to create Center of Excellence for continuous learning by providing state-of-art Techno-Management Education to the students and learners, by enhancing the capabilities to be the Techno-Management Thought Leaders.

Mission of Swami Vivekanand College of Engineering

- 1.To contribute in the overall socio-economic upliftment of the society, by providing innovative thought leaders at all levels in their respective areas & also by retaining the human values.
- 2.To formulate policies and create such an environment that attracts best faculty.
- 3.To create an ambience in which new ideas and cutting-edge research flourish through effective curriculum and infrastructure so as to produce the leaders and innovators of tomorrow.
- 4.To produce ethically strong & morally elevated human resources serve to society.
- 5.To undertake collaborative projects and consultancy for long term interaction with the academia and industry.
- 6.To be among top hundred engineering institutes of India by 2024.

Programmes Offered by SVCE

Diploma	M.E. / M.Tech.
Mechanical Engineering	Design of Mechanical Systems
Civil Engineering	VLSI Design
B.Tech.	Computer Science Engineering
Mechanical Engineering	Power System
Civil Engineering	
Computer Science & Engineering	
Information Technology	
Electronics & Communication Engineering	
Electrical & Electronics Engineering

Following Points are discussed and agreed upon

1. Institute and Technology Centre recognize that they share common goals and are desirous to establish, a cooperative arrangement towards-strengthening Indian higher education (though curricula, faculty, infrastructure, pedagogy improvement) in line with the diverse industry's requirement of relevant skill-sets in Mechanical Engineering, Civil Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology and Computer Science & Engineering at different levels (diploma, graduate & post-graduate) in different time-frames.
2. Both organizations have mutually agreed to collaborate for the training of students in the above area and Industrial Employees at Institute Premises or Technology Centre Premises depending on the availability of the lab infrastructure, for the enhancement of knowledge based enterprises, technical and management skill for future economic development. Exchanging of information concerning tool and die making and machinist trade and many more technology/other core sectors and work towards effective Industry-Academia partnership for Human Resources Development, undertaking projects and R & D.
3. Both TC & Institute HEREBY ACKNOWLEDGE and DECLARE as follows:
Technology Centre and Institute agree to serve as a link between Industry and Educational Institution for ensuring relevant and quality learning, especially through the following:
 - 3.1) Courses will be conducted at Institute or Technology Centre premises depending on the availability of the Infrastructure and lab facilities required.
 - 3.2) Institute has agreed to provide lab infrastructure covering training space, lighting, air-conditioning, furniture, computer machines, UPS supply etc required for successful conduction of training.
 - 3.3) Technology Centre has agreed to conduct Training Program for me to VI Semester of Diploma, I to VIII Semester UG and me to IV Semester PG Students of Mechanical Engineering, Civil Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology and Computer Science & Engineering Branches.
 - 3.4) Institute will try to provide maximum numbers of students of all Semesters from Mechanical Engineering, Civil Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology and Computer Science & Engineering branches, each year without any minimum specific number commitment. The training duration and timing will be as per mutually agreed time and dates. Fee collection from the students will be through Technology Centre. TDS will be deducted as per the Govt. Rules.
 - 3.5) The training for the students and industrial employee of Indore and nearby areas will be conducted at institute premises only if the facilities are available.
 - 3.6) Technology centre and Institute both are agreed for the joint promotion of the training.
 - 3.7) This tie up will be exclusive tie-up with Technology Centre and Institute for ONE YEAR from the date of sign of MOU and can be extended further on mutual agreement.

Pratibha
Principal
General Manager Incharge
MSME TOOL ROOM
(Indo-German Tool Room)
Sanwer Road, INDORE

- 3.8) Students who are completing their training at institute premises for them participation certificate should be given by Technology Centre.
- 3.9) TC & Institute will also identify the college faculty for training through various initiatives, including faculty development program by re-skilling the faculty in the relevant disciplines.
- 3.10) TC & Institutes will promote student & faculty interface with the industry by way of training/workshops, projects/Internship etc.
- 3.11) TC & Institutes are mutually agreed to do the consultancy on jointly basis on the basis of expertise available with each.
- 3.12) MSME-TC will conduct courses as per enclosed list & also as per need of the institute. Fee & Duration will be decided mutually.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on the 07/12/2020 (Seventh of December Two Thousand Twenty) by and between

Shri Jagannath Industries, Indore THE FIRST PARTY represented herein by its Mr. Shubham Tyagi.

AND

Swami Vivekanand College of Engineering, Indore, Madhya Pradesh, India, THE SECOND PARTY represented herein by its Mr. Sachin Mishra.

PURPOSE OF MOU

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under Community College Centre, Swami Vivekanand College of Engineering, Indore MP India.
2. Organize various workshops on Entrepreneurship Development
3. Provide hands-on instruction in the development of entrepreneurship
4. Create chances for self-employment
5. Assist the students in establishing various start-ups
6. Provide opportunities for placement of trained students

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

Since both parties share similar goals and interests, they will work together to create a communication and working interaction that will contribute to the advancement of their individual operations. In order to secure further chances for one another, the parties will keep each other informed of prospective opportunities and communicate any information that may be useful.

Through major contributions to the development of appropriate teaching/training systems that take into account the demands of the Second Party, the cooperation between the First Party and the Second Party will enable the effective utilization of the First Party's intellectual resources.

Clause 2

SCOPE OF THE MOU

Both parties believe the student would greatly benefit from rigid collaboration between the two in terms of skill and knowledge enhancement.

To make it possible for the students to effectively adapt into the industrial setting, the First Party will provide to the Second Party with valuable guidance about teaching and training technique.

Industry and SVCE interaction will provide insight into the most recent advancements and industry requirements; the First Party will allow Second Party faculty and students to visit its group companies and participate in First Party industrial training programmes. Students will gain confidence and be better equipped to make a seamless transition from school to the workforce thanks to the industrial training and exposure our association offers. The learners registered with the Second Party will receive hands-on instruction at the First Party's laboratories, workshops, and industrial sites.

To close the skill gap and prepare the Second Party students for industry, the First Party will provide them with training on cutting edge technology.

In order to provide guest lectures on technological trends and in-house requirements to the Second Party's students, the First Party will provide the required assistance.

The First Party will take an active role in assisting the Second Party in providing training and arranging its students with internships or employment.

Sub: Sincerest thanks for joining hands with Shri Jagannath Industries, Indore

Dear Sir,

I am writing to express my sincere appreciation for the opportunity to host training from **Swami Vivekananda College of Engineering, Indore** at **Shri Jagannath Industries, Indore, and Madhya Pradesh, India**. We have been impressed by the caliber and enthusiasm of the students, and we are grateful for the chance to contribute to their professional development.

The training program has been a valuable experience for both our company and the students. Our team has benefited from the fresh perspectives and skills that the interns brought, and we have seen tangible contributions to our projects. We are confident that this experience will have a positive impact on their future careers.

We would like to express our sincere gratitude to your institute for sending 21 students of Mechanical Engineering (IIIrd Year). I hope that our collaboration will take both the organizations to greater heights.

Thank you again for your support and partnership.

Best regards,

Sub: Sincerest thanks for joining hands with Empirical Exergy Private Limited

Dear Sir,

It's a great pleasure for us that your organization Swami Vivekanand College of Engineering has signed a memorandum of understanding with our firm Empirical Exergy Private Limited. Empirical Exergy Private Limited (EEPL), is incorporated under the Companies Act 2013 is an ISO 9001:2015 certified company based at Indore, Madhya Pradesh. EEPL also registered with The National Small Industries Co-operational Ltd. (NSIC) under Micro Small Enterprises (MSEs) is notified by the Govt. of India

We would like to express our sincere gratitude to you your students. I hope that our collaboration will take both the organizations to greater heights. This year (2019-20) around 65 students participated in various courses offered by our firm. I, once again, thank you for having faith in our organization. Thank you for all cooperation and I look forward to more years of togetherness.

Yours sincerely,

Er. Rajesh Kumar Singadiya

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 09th day of Aug 2019.

BETWEEN

Empirical Exergy Private Limited, Flat No, 201, Om Apartment, 214 Indrapuri, Bhawarkuwa Indore-452001 (M.P.), Madhya Pradesh, India, and represented herein by its Director, Er. Rajesh Kumar Singadiya Competent Authority / Representative, (hereinafter referred to as "First Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Swami Vivekanand College of Engineering, Indore (M.P.) represented herein by its Mr. Sachin Mishra, Director SVGI (hereinafter referred as 'Second Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is engaged in Business, Energy Audit, Skill Development, Education and R&D Services in the fields of Energy Conservation, Energy Management and related fields.
- B) Empirical Exergy Private Limited
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The both Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

- F) **Swami Vivekanand College of Engineering, Indore (M.P), the Second Party is a Higher Educational Institution.**

Swami Vivekananda College of Engineering (SVCE) intends to provide transformative education by pursuing excellence in engineering and management and by developing skills that meet the changing demands of the society.

The mission of the college is

1. To impart human values and to promote leadership qualities among students.
2. To set up a suitable infrastructure and provide better resources to students and faculties.
3. To encourage academic excellence amongst faculty and students to create future leader and innovators.
4. To be a student-centered college that addresses social issues while incorporating creative, experiential and lifetime learning methods.
5. To collaborate with industries, academic institutions and research centers to improve the technical and managerial skills.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within their working place and their related wings.
- 1.2 The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.3 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the trainer of First Party providing significant inputs to them in developing suitable training systems, keeping in mind the needs of the industry to the Second Party.
- 1.4 The general terms of co-operation shall be governed by this MOU. The Parties

EMPirical Exergy Private Limited

shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First Party will give valuable inputs to the second Party in training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the first Party to permit the Faculty and Students of the second Party to visit its group companies and also involve in Industrial Training Programs for the second Party.
- 2.4 The industrial training and exposure provided to students and faculty through this association will build confidence.
- 2.5 The prepare of students to have a smooth transition from academic to working career. The first Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the second Party.
- 2.6 **Internships and Placement of Students:** first Party will actively engage to help the delivery of the Internship and placement of students of the second Party into internships/jobs, as per AICTE internship Policy.

- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid for one year, during which period **Empirical Exergy Private Limited**, the first Party, as the case may be, will take effective steps for implementation of this MOU.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party.

Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Swami Vivekanand College of Engineering, Indore (M.P)

Sub: Sincerest thanks for joining hands with Empirical Exergy Private Limited

Dear Sir,

It's a great pleasure for us that your organization Swami Vivekanand College of Engineering has signed a memorandum of understanding with our firm Empirical Exergy Private Limited. Empirical Exergy Private Limited (EEPL), is incorporated under the Companies Act 2013 is an ISO 9001:2015 certified company based at Indore, Madhya Pradesh. EEPL also registered with The National Small Industries Co-operational Ltd. (NSIC) under Micro Small Enterprises (MSEs) is notified by the Govt. of India

We would like to express our sincere gratitude to you your students. I hope that our collaboration will take both the organizations to greater heights. This year (2018-19) around 45 students participated in various courses offered by our firm. I, once again, thank you for having faith in our organization. Thank you for all cooperation and I look forward to more years of togetherness.

Yours sincerely,

Er. Rajesh Kumar Singadiya
(Director)

Empirical Exergy Private Limited.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 10th day of Oct 2018.

BETWEEN

Empirical Exergy Private Limited, Flat No, 201, Om Apartment, 214 Indrapuri, Bhawarkuwa Indore-452001 (M.P.), Madhya Pradesh, India, and represented herein by its Director, Er. Rajesh Kumar Singadiya Competent Authority / Representative, (hereinafter referred to as "First Party", company which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

Swami Vivekanand College of Engineering, Indore (M.P.) represented herein by its Mr. Sachin Mishra, Director SVGI (hereinafter referred as 'Second Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- A) First Party is engaged in Business, Energy Audit, Skill Development, Education and R&D Services in the fields of Energy Conservation, Energy Management and related fields.
- B) Empirical Exergy Private Limited
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The both Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

- F) **Swami Vivekanand College of Engineering, Indore (M.P), the Second Party is a Higher Educational Institution.**

Swami Vivekananda College of Engineering (SVCE) intends to provide transformative education by pursuing excellence in engineering and management and by developing skills that meet the changing demands of the society.

The mission of the college is

1. To impart human values and to promote leadership qualities among students.
2. To set up a suitable infrastructure and provide better resources to students and faculties.
3. To encourage academic excellence amongst faculty and students to create future leader and innovators.
4. To be a student-centered college that addresses social issues while incorporating creative, experiential and lifetime learning methods.
5. To collaborate with industries, academic institutions and research centers to improve the technical and managerial skills.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within their working place and their related wings.
- 1.2 The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.3 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the trainer of First Party providing significant inputs to them in developing suitable training systems, keeping in mind the needs of the industry to the Second Party.

- 1.4 The general terms of co-operation shall be governed by this MOU. The Parties

shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First Party will give valuable inputs to the second Party in training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the first Party to permit the Faculty and Students of the second Party to visit its group companies and also involve in Industrial Training Programs for the second Party.
- 2.4 The industrial training and exposure provided to students and faculty through this association will build confidence.
- 2.5 The prepare of students to have a smooth transition from academic to working career. The first Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the second Party.
- 2.6 **Internships and Placement of Students:** first Party will actively engage to help the delivery of the Internship and placement of students of the second Party into internships/jobs, as per AICTE internship Policy.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on the 06/09/2018 (Sixth of September Two Thousand Eighteen) by and between

Shri Jagannath Industries, Indore THE FIRST PARTY represented herein by its Mr. Shubham Tyagi.

AND

Swami Vivekanand College of Engineering, Indore, Madhya Pradesh, India, THE SECOND PARTY represented herein by its Dr. P. K. Dubey.

PURPOSE OF MOU

In particular, this MOU is intended to

1. Enhance entrepreneurial mindsets among the students of Entrepreneurship Development certificate course under Community College Centre, Swami Vivekanand College of Engineering, Indore MP India.
2. Organize various workshops on Entrepreneurship Development
3. Provide hands-on instruction in the development of entrepreneurship
4. Create chances for self-employment
5. Assist the students in establishing various start-ups
6. Provide opportunities for placement of trained students

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

Since both parties share similar goals and interests, they will work together to create a communication and working interaction that will contribute to the advancement of their individual operations. In order to secure further chances for one another; the parties will keep each other informed of prospective opportunities and communicate any information that may be useful.

Through major contributions to the development of appropriate teaching/training systems that take into account the demands of the Second Party, the cooperation between the First Party and the Second Party will enable the effective utilization of the First Party's intellectual resources.

Clause 2

SCOPE OF THE MOU

Both parties believe the student would greatly benefit from rigid collaboration between the two in terms of skill and knowledge enhancement.

To make it possible for the students to effectively adapt into the industrial setting, the First Party will provide to the Second Party with valuable guidance about teaching and training technique.

Industry and SVCE interaction will provide insight into the most recent advancements and industry requirements; the First Party will allow Second Party faculty and students to visit its group companies and participate in First Party industrial training programmes. Students will gain confidence and be better equipped to make a seamless transition from school to the workforce thanks to the industrial training and exposure our association offers. The learners registered with the Second Party will receive hands-on instruction at the First Party's laboratories, workshops, and industrial sites.

To close the skill gap and prepare the Second Party students for industry, the First Party will provide them with training on cutting edge technology.

In order to provide guest lectures on technological trends and in-house requirements to the Second Party's students, the First Party will provide the required assistance.

The First Party will take an active role in assisting the Second Party in providing training and arranging its students with internships or employment.

Sub: Sincerest thanks for joining hands with Shri Jagannath Industries, Indore

Dear Sir,

I am writing to express my profound appreciation for your organization's constant and unwavering support. I am inspired by your mission and the unquestionable dedication you demonstrate through your work. We have been impressed by the caliber and enthusiasm of the students, and we are grateful for the chance to contribute to their professional development.

The training program has been a valuable experience for both our company and the students. Our team has benefited from the fresh perspectives and skills that the interns brought, and we have seen tangible contributions to our projects. We are confident that this experience will have a positive impact on their future careers.

We would like to express our sincere gratitude to your institute for sending 45 students of Mechanical Engineering (IIIrd Year). I hope that our collaboration will take both the organizations to greater heights.

Your contributions have revolutionized how things work, and I am profoundly thankful for the extraordinary lengths your team goes to drive change.

Thank you again for allowing me to join your noble journey.

Memorandum of Understanding (MoU)

Between:

Swami Vivekanad College of Engineering

Near Toll Naka, Umarikheda Khandwa Road Indore

And:

Vandevi Social Welfare Society

Vijay Nagar Indore (MP)

Date of Agreement: 03-09-2018

1. Purpose:

This MoU is established to formalize the collaboration between Swami Vivekanad College of engineering and Vandevi Social welfare Society for conducting social work initiatives in rural villages.

2. Objectives:

The primary objectives of this collaboration are:

To address socio-environmental challenges in rural communities through sustainable development initiatives.

To provide experiential learning opportunities for students through community engagement and service-learning projects.

To foster a culture of social responsibility and civic engagement among college students.

3. Scope of Work:

Swami Vivekanad College of engineering agrees to:

Provide logistical support, including transportation arrangements for student volunteers. Facilitate access to educational resources and expertise for community development projects. Vandevi Social welfare Society agrees to:

Identify target villages and assess their needs in collaboration with Swami Vivekanad College of engineering.

Develop and implement community-based initiatives, including healthcare, education, livelihood development, and environmental conservation projects.

Provide training and guidance to college students participating in social work activities.

4. Duration:

This agreement shall commence on 03-09-2018 and remain in effect for a period 1 year, unless terminated earlier by mutual agreement.

5. Resources:

Both parties agree to allocate resources, including funding, personnel, and materials, as necessary to fulfill their respective roles as outlined in this MoU.

6. Governance and Management:

A joint steering committee comprising representatives from Swami Vivekanad College of engineering. and Vandevi Social welfare Society shall oversee the implementation of collaborative projects, monitor progress, and make decisions regarding resource allocation and strategic direction.
